PROFESSIONAL SUMMARY

Full-Stack Engineer specializing in Next.js and TypeScript with experience building scalable web applications for international organizations. Skilled in modern frontend architecture, backend integrations, and DevOps workflows. Proven ability to deliver production-grade solutions, collaborate with remote teams, and rapidly adapt to new technologies.

SKILLS

Technical Skills: React.js, Next.js, TypeScript, Node.js, ColdFusion, Tailwind CSS, Supabase, PostgreSQL, SQL, MongoDB

Design & Web Tools: Figma, Adobe Creative Cloud (Illustrator, Photoshop, XD), WordPress, MotoCMS

Professional Strengths: Project Coordination, Cross-functional Collaboration, Technical Documentation, Client Communication, Technical Support, Time Management

EXPERIENCE

Web Developer & Sub-Instructor (Remote - Freelance)

A-PLUS Community Solutions, Inc., Roswell, GA, USA

Apr 2021-Feb 2025

- Developed and maintained the Insight Case Management Suite using ColdFusion, Bootstrap, and jQuery.
- Designed graphics, landing pages, and UI components aligned with business goals.
- Collaborated with clients and cross-functional teams; documented processes and supported training initiatives.
- Contributed to workflow improvements and ensured on-time project delivery.

Web & Graphics Designer (Remote - Freelance)

Nerrative Technology, Inc., Camarillo, CA, USA

Mar 2023-Nov 2023

- Built responsive websites using Next.js and Tailwind CSS based on Figma designs.
- Implemented authentication and theming; maintained consistent quality standards.
- Adapted rapidly to new technology stacks within a collaborative remote team.

Graphics Designer (Remote - Freelance)

CrystalsRus, London, UK

Nov 2022-Nov 2023

- Created high-detail rhinestone and DTF print graphics; performed manual vectorization.
- Developed Photoshop scripts and professional mockups to improve efficiency and client communication.

Email Marketer (Remote - Freelance)

Viral Touch, London, UK

Dec 2020-May 2021

- Coordinated marketing campaigns to align with client's objectives.

Digital & IT Manager

Polash Cadet School, Pabna, Bangladesh

Aug 2024-Dec 2024

- Managed website, internal tools, and digital workflows.
- Provided technical support to staff and administration.

PROJECTS

Auronum® WordPress Website

- Led full website rebranding; customized themes using PHP, CSS, and JavaScript; improved performance and UX.
- Live Site: <https://auronum.co.uk>

1440 Media, LLC Website (Next.js, Tailwind CSS)

- Built the original dynamic, SEO-optimized website with responsive design and custom animations.
- Live Site (original version was created by me): <https://join1440.com>

Nerrative Technology, Inc. Website (Next.js, Tailwind CSS)

- Developed a fully responsive website with interactive UI and custom animations using Next.js and Tailwind CSS.
- Live Site (partial/public preview available): <https://www.nerrative.com>
